## Local Suppliers of Asbestos Related Safety Equipment

Asbestos removal, whether it involves friable or nonfriable asbestos containing material, should be performed by individuals wearing suitable protective safety equipment. The type of job and the number of individuals involved all have a bearing on the type and quantity of safety equipment used.

Asbestos related safety equipment can be obtained from various suppliers located throughout New Hampshire, and in surrounding states. See the following table.

SUPPLIER	RESPIRATOR	TYVEK SUITS & GLOVES	DISPOSAL & GLOVE BAGS	WETTING AGENTS	OTHER EQUIPMENT
